two National Arts Program in Delaware Award Winners*

Wilmington, Del. (August 22, 2017) – The Gallery presents solo exhibitions of work by Delaware artists in disciplines including painting, photography, sculpture, crafts, folk, and media artists. The opportunity to exhibit is available to emerging and established visual artists who have won Individual Artist Fellowships or have been chosen by the Division's annual Gallery Panel.

Opening receptions are typically held the First Friday of the month from 5-7 p.m. to coincide with the City of Wilmington's Art Loop. The reception is free and open to the public. Each month, the artist will be in attendance to greet visitors and answer questions about his or her work. The artwork is generally available for purchase directly from the artist.\*
